The Lady George Kindergarten

Statement of Philosophy

We are a Department for Education and Child Development Site (DECD) site.

We provide a play based learning program for children to learn through exploring familiar and unfamiliar experiences. In a safe, supported and fun environment, we encourage children to develop a positive self-esteem and an enjoyment of lifelong learning and we support each child’s individual development.

We particularly encourage children’s development in Emotional Resilience, Persistence, Confidence and Social Skills, through our use of the 5 keys ‘You Can Do It’ program.
